Membership 2008

“Turning obstacles into true potential!”

Dear Member or Prospective Member of Epilepsy South Africa

We at Epilepsy South Africa would like to wish all our members Prosperity for 2008 and may it be even better than the last one.

Epilepsy South Africa continues assisting people with epilepsy to live to their maximum potential. We therefore aim to be of service to people with epilepsy and people affected by the condition. In the recent year a lot has happened of which includes our National Strategic Plan where we specifically looked at the future of the organisation and how we can improve our service delivery to the community at large.

We further aim to build the capacity of families and community members to support people living with epilepsy. Basically we would like our members to become more involved in our programmes. We will therefore keep you updated on the activities within the organisation throughout the year.

We would also like to thank you for your ongoing support and would like to remind you that your membership for 2008 becomes due for renewal on 1 March 2008. Please would you complete the slip attached and return it to us as soon as possible. Please pay the membership fee into the following account and send/fax proof of payment at your earliest convenience: Epilepsy South Africa, FNB, Mowbray branch 200 309, Acc # 501 2000 6868, Current Account

You are a very important part of our team and we would therefore like to stay in contact with you. Please ignore this reminder if you have already renewed your membership for 2008.

With kind regards,

Drikie Snyman
Fundraising and Marketing development officer
